SKILLS

- UI/UX Design
- Adobe Photoshop
- Adobe Illustrator
- Visual Studio Code
- Storyboards
- Creative processing
- Organisation and efficiency

EXPERIENCE

2025 – Present

Africa Training Centre Marketing & Design Assistant

Supported media and campaign rollouts, including logo updates for certificates as well as company profile to refresh brand identity.

Assisted in marketing functions, collaborating on client-facing materials and team projects to enhance visual communication.

Contributed to group initiatives, applying design skills to real-world training centre needs while managing tight deadlines.

EDUCATION

2017 – 2020

Matriculated

Durban High School

2021 – 2022

**Higher Certificate in
Creative Development**

IIE Vega

2022– 2025

**Bachelor of Arts in
Digital Design**

IIE Vega

October 2025 – Novemember 2025

IIE Vega School of Brand Leadership

Collaborated in a high-pressure Brand Challenge simulating a real-world agency environment, developing comprehensive branding strategies from concept to execution for live client briefs.

Applied digital design skills (e.g., UI/UX prototyping, visual identity creation) under tight deadlines, mirroring professional workflows in creative agencies and marketing teams.

Delivered pitches to industry judges, honing client presentation and feedback integration skills essential for agency and business settings.
